PROGRAMME OVERVIEW

Public Speaking — Speak with Confidence

Manage nerves, develop your voice and deliver a short, powerful message.

WHO IS IT FOR?

Beginners, founders, students and community organisers.

THE GOAL

Feel more capable during your first public presentation.

LEARNING TOPICS

01. Identify the audience and speaking fears
02. Breathing and diction
03. Open with impact
04. Arguments, examples and conclusions
05. Record, review and improve

PRACTICAL OUTCOMES

01. A prepared mini-talk
02. Personal improvement checklist
03. A simple practice routine
